Central Business District, Abuja Nigeria

GUIDELINES FOR SUBMISSION OF EXTENDED ABSTRACTS

Theme: Repositioning Animal Agriculture for Africa's Food Security and Global Competitiveness

AACA invites submissions of extended abstracts that align with one of the following conference tracks:

- Feed and Fodder Security
- Climate-Smart and Resilient Livestock Systems;
- Food Security and Nutrition through Animal Agriculture;
- Disruptive Technologies for Livestock Transformation;
- One Health and Animal Welfare;
- Aquaculture and Non-Traditional Livestock Systems;
- Equity, Gender, and Youth in Animal Agriculture;
- Policy, Trade, and Global Competitiveness;
- Public-Private Partnerships and Investment Models;
- Genetics and Breeding for Livestock Transformation;
- Work Animals and Livelihoods;
- Advisory Services and Curriculum Development for Future Livestock Production;

Use the template (input link here) to prepare a properly formatted abstract.

[Text of abstract must not exceed two pages, including speaker contact information]
